4. HEALTH CONSIDERATIONS (for the field portion of our event)

Itineraries and schedules for Jack Graham Photography Workshops are developed for average people in good health. Some of these trips require a bit more hiking over uneven ground than others, while carrying camera equipment. If you have questions or concerns about your fitness regarding a workshop, please let our office know before reserving your spot. We'll answer you honestly. Part of the registration requires that you do know of any physical or other conditions that would create any risk for you or others during our workshop. We reserve the right to request a doctor's statement of good health.

Though we always will be of assistance should the need occur, we assume no responsibility for medical care or for special dietary requirements. We do ask for dietary needs but cannot guarantee these needs are confirmed for our time together on our workshops. Many of our workshops are in remote locations. Attendees requiring special food items are encouraged to bring their own.

Should Jack Graham, Jack Graham Photography LLC or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, the enrolling trip participant(s) agree(s) to indemnify and hold them harmless for all such fees and costs. In the event a lawsuit is filed, the enrolling participant(s) agree(s) to do so solely in the County of Pierce in the State of Washington.

WORKSHOPS DISCOUNTS

Participation in a symposium does not qualify for additional discounts on future workshops provided by Jack Graham and Bill Fortney either together or individually.
